The Best Hotels in Santorini, From Idyllic Beachfront Properties to Secluded Villas

BY MONICA MENDAL
March 25, 2024

The best hotels in Santorini have long been the paradigm of the Greek islands, with its whitewashed villages cascading down a volcanic cliffside as blue cupolas and vibrant bougainvillea line the island's labyrinth of cobbled streets. Suffice to say that a romantic holiday in Santorini certainly lives up to all of our daydreams. The decision of where to stay in Santorini is an important one, as it will help determine the nature of your trip.

Whether you're looking for a traditional Cycladic dreamscape in the heart of whitewashed Oia, a secluded modern villa overlooking a local vineyard, or a beachfront getaway on the island's volcanic black sands, we've rounded up the best hotels Santorini has to offer—and don't worry, we've made sure each one secures you a front row seat to the island's iconic sunset.

Andronis Arcadia

Andronis Arcadia is the newest member of the Andronis collection known for its many luxury accommodations across Santorini, like Andronis Luxury Suites and the Andronis Boutique Hotel (both certainly worthy for inclusion on this list). Andronis Arcadia is located on the fringe of Oia, close enough to walk there, yet far enough away to ensure a peaceful respite from the crowds. Its sustainable design ethos is articulated through its use of local artwork and over 90% of furniture and decor was made inside the hotel using locally sourced materials. Each suite has a pool with direct views to the sea and the hotel also features the island's largest villa that spans over 6,000 square feet and the largest pool in Santorini.

Amenities: Restaurants, pool, spa, meeting and event spaces, on-site parking, shuttle service, pillow menu
